Introductory

THE nineteenth bi-ennial Directory of the Cities of New Albany and Jeffersonville is herewith presented to the public.

The New Albany Directory contains 13,417 individual names, an increase over the 1909 Directory of 290 names. Using two as a multiplier, New Albany, including Silver Grove, Silver Hills and Lower Albany, has a population of 26,834.

The Jeffersonville Directory, which embraces also Port Fulton, Ohio Falls, Clarkesville, Howard Park and Claysburg, contains 7,914 individual names, an increase over the 1909 book of 583 names and would indicate a population of 15,828.

New Albany and Jeffersonville are both prosperous and each have a number of splendid manufacturing plants.

The American Automobile Manufacturing Company, a quarter of a million dollar corporation, composed principally of Louisville capitalists, selected New Albany as a site for their plant on account of the low tax rate and its splendid shipping facilities.

Through the efforts of the Louisville and Southern Indiana Traction Company New Albany and Jeffersonville are developing a number of attractive subdivisions on the North Side, which will make delightful homes and will be of easy access to the citizens of the three Falls Cities.

THE TRIBUNE CO.

DAILY AND WEEKLY

ESTABLISHED 1888

THE DAILY TRIBUNE is your home newspaper; bright, clean, progressive. It deserves your support on this ground, if no other.

The DAILY TRIBUNE was for years the only Republican daily paper in the Third Congressional District, embracing the nine counties of Crawford, Perry, Dubois, Harrison, Orange, Clark, Washington, Scott and Floyd. For this reason it has a wide circulation throughout these counties, as it is the organ of the Republicans of the district. The WEEKLY TRIBUNE goes into homes in every corner of this and surrounding counties, and in many cases it is the only paper that reaches the substantial farmer of this section.

The DAILY TRIBUNE has a circulation larger than any of its competitors. The foregoing are facts.
